SENIOR PROGRAM REPORT

We're into the home stretch for the various senior grades with many teams looking safe for a playoff berth. Well done to all.

The ABA men and women are safe for the finals with two rounds to play. The men currently sit 3rd with a chance to leap into 2nd and the women sit 2nd with a chance to leap into top spot. Home court for finals is definitely an advantage so finishing as high as possible is on the agenda.

However, the Grand Final is not on our home court so is playing at the Dome an advantage for anybody? This is a good time to reflect on last year and what we learnt from the 2 grand final losses. Did going straight into the finals and having the weeks break hurt us? Possibly it did and I guess the question is how do you manage this situation. You certainly wouldn't throw a game to avoid this scenario but what do you do if faced with this situation again? This is something to ponder for our two new head coaches as the business end of the season draws near.

Regardless, both the ABA Men and Women have had stellar seasons so far. With the right attitude, determination and fight we have as good a shot at winning the title as anybody else. It certainly won't be easy though.

I first heard this saying from ex NBL Championship coach Brian Kerle – 'The harder I work the luckier I become'.

It's so true and luck in finals always plays a part.....let's make our own luck!

Till next time.....

A QUICK BIT FROM THE PRESIDENT!!!

Well it is nearly a full twelve months since I was elected as president of one of this state's most successful basketball clubs. In this short but enlightening time I have learnt a great deal about the clubs very long and proud history, I have learnt a lot about our coaches, players and the broader Sturt community. And with all this learning I have realised that I am indeed a very lucky person to be involved with such a great group of families and individuals. The passion and commitment that I have seen over this first year has at times been overwhelming yet fulfilling to be a part of. And all this is before I even touch on the members of our community that volunteer their time to ensure your club runs smoothly, So I will take a second now to thank all of the members on the executive and the committee for all of their tireless efforts over the year to ensure that we have a club for our kids to enjoy and develop in.

2010 sees the Sabres celebrate 50 years, this milestone has seen us attend our gala dinner and later in the year we will celebrate a little more at the senior presentation dinner.

We inducted our first two Sturt legends into our inaugural hall of fame both Leonie and Mal are deserved recipients of this honour. Both have dedicated an enormous amount of time and effort to our club over many years.

Our junior program continues to be the envy of clubs around the state with the sabres winning yet another state championship with very nearly a clean sweep throughout.

Both the senior ABL men's and women's teams will feature in the up and coming finals series and we wish all of our senior sabres all the very best of luck and look forward to them bringing home the trophies, this would be a fitting result for all of these dedicated and loyal players from Sturt.

Our junior winter season finals are also approaching very quickly and Sturt juniors feature heavily throughout the entire age groups, again these kids deserve a pat on the back for the efforts that they put into their game.

We also have a group of very dedicated and passionate coaches who make all this happen, without them our kids would not be playing. So next time you see your coach a simple thanks for all your time would go a long way.

That's it from me, good luck to all our Sabres teams going into the finals and i look forward to the next twelve months being just as rewarding and successful for us all.

GO BLUE GO STURT!!!!!!

ABA WOMENS CAPTAINS REPORT - Monique Bowley

With just one game left in the minor rounds, the senior women's team is ramping up for a big finals campaign this year. Currently in second position on the ladder behind long-term rivals Forestville, it will be an epic finals series as we vow to avenge last year's Grand Final defeat at the hands of the Eagles.

The aim, of course, is to get there first. Having fallen at the sword of 3 of the top 4 teams, this finals series is shaping up to be one of the most challenging in recent years. A young team, a new coach, and an offence that sometimes befuddles even us; there is a bit more legwork to be done yet.

It's nothing that we aren't capable of. This team has a unique mix: From the old heads *Caroline Burgess* and *Conor O'Brien* in the leadership group; to the supreme athletes in *Anna Maycock* and *Bree Farley*; the youthful exuberance of *Kara Hargreaves*, *Lauren Gibbons* and *Katrina Fitzpatrick*; the big game players *Brooke Sidebottom* and *Hannah Richards*, and the X factor *Emma Hooley* it's a matter of putting it all together.

As to how we will do that? It's a secret.

You'll have to just come and watch.

Sturt Senior Men's Captains Report – Jacob Holmes

After the disappointment of the Grand Final last year the men were keen to get started early and make sure we did everything we could to prepare for this season. A lot of the guys didn't have much of a break in the off-season and I think this has held us in good stead this season. With a lot of the team involved in other competitions, camps, age group competitions, international events, coupled with work and schooling it's been a busy year under new coach Scott Butler, Tom James-Martin and recent addition Paul Rigoni. Having coached most of the guys either in the past or currently it has been an easy transition for the group from Liam Flynn to Scott, Tom and Paul. We all wish Liam the best in his new job up in Townsville too; his professionalism and hard work will be sorely missed.

The season to date has been a successful one. Although we'd always like to finish on top after the regular season, it is great to have a double chance and home final after finishing 2nd behind West Adelaide. There has been some individuals who have really stepped up over the season and deserve credit for their hard work over the offseason to get prepared for the year. Obviously Darren Ng has once again shown his class; Tom Daly and Corey Maynard as younger players have stepped up to become consistent high performers in our team; Jan Warbout, Tim Kloasen and Nathan Spehr have come along and are evolving into key players and will continue to do so if they keep up their hard work; it's been great to see the 'old crew' of Mark Bauer, Todd Gower and Marcus Ng continue to be essential parts of our group and their games recently have been huge for us. Overall the entire group has got better and improved over the year to date and we will need to keep it up in the next month to achieve our goal to go one better than last year.

We'd love to give a special thanks to all of the Mum's who provide the 'best in the league' after game function food, brilliant work ladies! Also a mention to all of the Hall of Fame and Life Members of the club. it was great for the guys to see them at the game the other week and thanks especially to Mal Heard for his written history of the club that he provided me. I believe it is great to know and celebrate the proud history of Sturt - the strongest club in the state.

Once again, our thanks to the club, supporters, volunteers and support staff for all of their hard work. We believe in our ability to achieve our goal and your support and efforts only makes us more determined.

Go Sabres!

Feedback from the Hall of Fame ABA round 17 July 2010

Dear Anne,

I wish to thank the Club for its hospitality shown to Marie and me last Saturday evening for your home game get together. It was a really friendly and cordial occasion that we both enjoyed. In particular, all of your guests were spoiled and waited on for the entire evening in a manner that I honestly thought had been long forgotten. The Club is in good hands.

It has been many years (too many to remember) since I have entered a stadium to watch a game; except perhaps the Sydney Olympics. The game has changed enormously and now played at a pace

that it is difficult to imagine that I ever played at ... and I was one of the faster athletes in our competition. It was a bonus to see both of your senior sides enjoy good wins.

I was presented with a couple of photographs and a CD from when I attended your special celebrations earlier in the year. They will go into my album along side one or two other basketball shots from 1960 – 1965 of the same people. When I was driving away from the Morphetville Centre after that evening, I had a warm feeling that all of those men who once knew each other so well and enjoyed such enormous success playing for United Church and South Australia, met all those years later, looked each other in the eye and shook hands as if we had just walked off the court together after a game. I suppose that's what sport and club-mates are all about ... some thoughts stay around for a long time after the colours are mothballed. We all owe the Club and Rex Holmes a great debt.

Please pass on my regards to all of the organisers and helpers who made the evening so pleasant.
Yours faithfully,

NA 'Sam' Collins

Tri-State Tournament – Mildura, June Long Weekend, 2010

The Under14 Girls, Division 3 team and their families travelled to Mildura over the June long weekend to compete in the Tri-State Tournament. Within the team, there was a good mixture of girls who had competed at this tournament before, and 'first-timers'. The team – Eloise (4), Rebekah (7), Nikki (22), Monique (25), Hannah (28), Jessa (44), Charlotte (45), Kate (53), Alanna (79) were enthusiastically coached by Ashley Norton and Peter Rault and wonderfully supported by their families. The girls were inspirational in their good sportsmanship, their commitment to basketball and to each other and were worthy ambassadors for Sturt Sabres club. Five games were played over the Long Weekend, including the Grand Final. While the girls were undefeated heading into the Grand Final, the lead up games were closely fought, and the girls' focus was in evidence! The Grand Final was against Irymple Tigers, with the Sabres leading at each break, but Irymple Tigers were very determined as the only game they had lost in the tournament was against Sturt Sabres. Sturt Sabres eventual winners, 35 to 26. Rebekah Reardon coming away with the best player award. Well Done Girls!
